**Blues Cargo**, the backing group of choice for many American blues artists touring Greece, offers evidence of lessons well learned on *Delayed Delivery* (Pan-Vox Records). The Athenians have captured the feel of the blues as well as the notes, and singer-bassist Dimitris Ioannou writes entertaining songs. Guitarist Stelios Zafeiriou plays with a crisp tone; his lines are biting and powerful on the fast numbers, as elegant as James Wheeler on the slow blues. The minor blues "Ain't That I Don't Love You," the funky "Handy Man"

and "Go Away," and "Don't Want To Be Crazy" are high points in this convincing set of contemporary Chicago-style blues.
